

As a scientist, artist, and avid sportsman who enjoys diving and fishing, I have had the good fortune of traveling our blue planet for research, work and for fun. What I have concluded through my travels is that we all need to unplug from the computer, pack our gear and get out there.

Breaking away is a big decision. Where to go? How do I make sure I have a great time? The questions are numerous; the options are endless. For this reason, I've created The Guy Harvey Outpost concept. Our goal is to create a collection of properties in unique destinations that offer the type of experiences I enjoy in my travels, where each trip is an adventure - an expedition of discovery, with experiences that become memories to last a lifetime.

As we say here at Guy Harvey Outpost .... From the Oceans, Comes Life. Enjoy the journey!

Cheers!

### ABOUT OUTPOST BIMINI

Make your plans to visit the legendary Bimini Big Game Club, established in 1947 and reopened in 2010 after a multi-million dollar renovation. Join the Guy Harvey Outpost team in writing a new chapter in the history of Bimini and the Club that would make Hemingway proud.

- 75 slip marina, capable of accommodating center-consoles to mega-yachts, minutes, not miles to open water.
- 51 newly renovated guestrooms, cottages and suites with luxurious furnishing and appointments plus commanding views of the resort and stunning Bimini bonefishing flats beyond.
- The Bimini Big Game Bar & Grill, overlooking the marina, serving breakfast, lunch and dinner, and offering the best in island fare and libations.
- The Outfitter Shop with the latest in sportswear, gear and gift ideas.
- Black Fly Bimini, arranging top-of-class, back-country fishing.
- Dive Bimini, offering the best in Bahamas diving from the Club's 60ft boat.
- Freshwater pool and a new pool bar/patio for the best in relaxation!

# THE BIG GAME IS ON

# FISH Bimini

The Club's **Outpost Outfitter** will connect you with one of the local offshore or backcountry guides to put you and your crew on the fish. Take your pick – trolling offshore for the “Man in the Blue Suit,” deep dropping on that secret spot for a “giant of the deep,” or stalking a “Grey Ghost” across the quite backwater flats of Bimini. There is seldom a day that an angler gets skunked. And when it's “lines out” time, head in and anchor off in crystal clear waist deep water with powder white sand beaches, enjoying an afternoon swim with stunning sunset views complemented by your favorite boat drink. Yes, this is Bimini fishing and boating at its best!

**Black Fly Bimini**, a new partnership between fly fishing personality Vaughn Cochran, and offshore angling legend Guy Harvey has come to the Big Game Club to offer the best in “top of class” salt-water fly fishing for Bimini's world record sized bonefish and permit.

Both dedicated conservationists, recognized artists, and tournament-winning anglers, Vaughn and Guy are committed to delivering fishing experiences destined to become tomorrow's legends.

# BOAT Bimini

From center consoles, to battlewagons...from cruisers to mega-yachts – **The Marina** at the Big Game Club is where serious mariners make port. Situated on the east side of North Bimini Island, in the harbour of historic Alice Town. The marina is a Port of Entry into the Bahamas. The Marina is a short stroll along Kings Highway from the Government Dock, which demarks downtown Alice Town, where memories of Hemingway still linger among the locals.

# STAY Bimini

Tucked away in a corner of historic Alice Town, you'll find our resort. Since 1947, the **Bimini Big Game Club** has been home away from home for visitors from the far corners of the world. Pass through the arrival gate and enter a world of casual, yet refined service. Choose from one of our 51 rooms and cottages, unpack your bags and abandon the “real world” for a while. Coming by boat? Idle across the emerald green waters of the Alice Town harbourfront, and tie up at our 75 slip marina with the help of our knowledgeable and experienced outpost marina team.

Island - Time. Your time. Relax at the Bimini Big Game Bar & Grill, perched overlooking the marina and tranquil bonefish flats that make Alice Town such a magical setting. Hit the pool, and supplicate yourself to the sunshine. You're thinking: too bad those funny little paper umbrellas in your favorite frozen drink are not bigger! Tired of playing in the pool like a dolphin? Drop into the Outfitter Shop and book an encounter with real dolphin. Let our Outfitter staff get you hooked up with some of the best bonefish guides in the Bahamas, or drop you into the gin-clear water for the scuba dive of a lifetime.

It's all just another day at the Bimini Big Game Club. Come be a part of history, and make some of your own while you're here!

# DIVE Bimini

Bimini has no shortage of great dive sites: Reefs, Wrecks, Walls, Drift Dives, Sharks, Dolphins - you name it, Bimini's got it! It's time to escape to the warm clear waters of Bimini.

**Dive Bimini**, under the guidance of dive legends Neal Watson and Guy Harvey, has an experienced and friendly staff with all the gear you need for your next big scuba diving adventure at Outpost Bimini.

**M/V Bimini Blue**, our 60 foot custom glass-bottom two-deck dive vessel offers the best in safety and comfort, with amenities seldom found on your typical dive boat...all ready to accommodate the casual snorkeler to the most experienced scuba diver.

Yes. It's time. Time for Dive Bimini!
