Dear Ms. Bond:

Bimini sits hard alongside the majestic gulfstream. Its heart and soul is Alice Town, and for generations of travelers, it has stirred emotions few places do. From around the world, the famous and the infamous have made Bimini a port of call. As we say at Outpost, Bimini is a place of characters and about characters.

And now, Karen, you are one of Bimini's very own characters! As we ready Outpost Bimini to welcome one of the largest dive boats ever to operate in the Bahamas, we prepare to write another page in the history of this legendary island. As this new chapter begins, you have authored the name of a character that is surely to figure prominently in many Bimini stories during the years ahead. Her name is "Bimini Blue".

We congratulate you for suggesting a name that meets with the acclaim of divers and fans of the Bimini Big Game Club from around the world. "Bimini Blue" - the envy of all who would stand on her decks and survey the ink blue waters of the Atlantic that sweep by this "Island in the Stream" called Bimini. A proud and majestic ship she will be. Kudos! Hemingway could be no more proud.

We look forward to having you as our guest, Karen and hope your schedule allows one or both of us to join you for a day of diving off Bimini Blue. Thanks again for helping us write some history. We'll see you at the Club!

Cheers, and the Best in Diving...
